

JUDE BAYHAM

Department of Agricultural and Resource Economics, Colorado State University

203 Nutrien Building Fort Collins, CO 80523-1172

Phone: (530) 518-5426 Email: jbayham@colostate.edu

<https://sites.google.com/site/judebayham/> ORCID: 0000-0001-5383-2714

EDUCATION

Ph.D., Economics. 2013. Washington State University.

M.Sc., Applied Economics. 2009. University of Idaho.

B.A., Economics. 2006. California State University, Chico.

EMPLOYMENT AND AFFILIATION

Associate Professor. Department of Agricultural and Resource Economics, Colorado State University. July, 2022 - Present.

Assistant Professor. Department of Agricultural and Resource Economics, Colorado State University. August, 2017 - June 2022

Assistant Professor (Adjunct). Department of Epidemiology, Colorado School of Public Health. August, 2020 - Present.

Faculty Affiliate. Data Science Research Institute. Colorado State University. August 2021 - Present

Research Associate. Regional Economic Development Institute. Colorado State University. May 2023 - Present

Lab Associate. School of the Environmental, Yale University. August, 2015 - August, 2016, August 2020 - 2024.

Assistant Professor. California State University, Chico. August, 2015 - August, 2017.

Faculty Associate. Center for Water and the Environment, California State University, Chico. August 2015 - August, 2017.

Postdoctoral Associate. School of Forestry and Environmental Studies, Yale University. August, 2013 - July, 2015.

Andrea Buchwald, Elizabeth Carlton, Debashis Ghosh, Jonathan Samet, Kathryn Colborn, David Bortz, jimi adams, Jude Bayham. April, 2020. *The current state of COVID-19 in Colorado and projected course of the epidemic*. Report submitted to Colorado Department of Public Health and Environment. <https://covid19.colorado.gov/sites/covid19/files/COVIDModelingReport-042020.pdf> Updates: May 15, 2020; May 22, 2020, May 29, 2020.

Bayham, Jude & Jonathan Yoder. 2011. *Survival analysis of wildfire duration, cost, and size*. Report submitted to the U.S. Forest Service Southern Research Station for cooperative agreement RWU-FS-SRS-4804. August.

GRANTS AND CONTRACTS

July, 2024 - September 2027. co-PI. “Evaluating Risks from Agriculturally Sourced Emissions of Particulate Matter (ERASE-PM)” National Institute of Food and Agriculture, USDA. \$800,000

September, 2023 - August 2026. co-PI. “Inland Flooding and Evacuation: Individual Decisions and Economic Impacts” National Oceanic and Atmospheric Administration. \$500,000

August, 2021 - July 2026. PI. “Cost Drivers, Effectiveness of Wildfire Suppression Operations, and Investments in Preparedness” USDA-USFS-Rocky Mountain Research Station – CO. \$505,846

September, 2022 - July 2026. PI. “The Effects of Bottlenecks in the Meatpacking Sector on Wholesale and Retail Meat Prices” USDA Economic Research Service. \$75,000

August 2021 - December 2022. PI. “Colorado COVID-19 Modeling Group”. Colorado Department of Public Health and the Environment. \$77,000 (Fall 2020), \$100,000 (renewed, Spring 2021), \$126,000 (renewed through Summer 2022), \$78,000 (renewed through December 2022),

August 2021 - June 2022. PI. “Working with the Wildfire Research Team to support community wildfire resilience” USDA-USFS-Rocky Mountain Research Station – CO. \$25,000

August 2020 - September 2022. co-PI 33%. “Agricultural Practices & Policies: Particulate Matter and Rural Health”, USDA-NIFA-AFRI, \$200,000.

August 2020 - December 2021. PI. “Developing a Measure of Fewer Economic Resources for Colorado State Forest Service” Colorado State Forest Service. \$16,000

May, 2020 – December, 2020. (PI). Modeling COVID-19 to Support Wildfire Suppression Operations during a Pandemic. Joint Fire Science Program. \$74,000.

April, 2020 – July, 2021. (co-PI, 15%). Quantify the Role of Social Distancing in Shaping the COVID-19 Curve: Incorporating Adaptive Behavior and Preference Shifts in Epidemiological Models using Novel Big Data in 344 Chinese Cities. Massachusetts Consortium on Pathogen Readiness. \$342,130.

January 2019 – 2022. (co-PI 33%) How Older Households Manage Food Insecurity with Food Production Activities. University of Kentucky, \$49,996.

May 23, 2018 – May 15, 2023. (co-PI, 33%). Strategic wildfire management planning. Cooperative Agreement, USDA-USFS. \$499,676.

May 1, 2018 – August 31, 2018. (co-PI, 33%). Modeling the Factors Influencing Wildfire Suppression Management Strategies. Cooperative Agreement, USDA-USFS. \$44,000

Fall, 2016 – Spring, 2017. (PI, 100%). ePortfolio Pilot Project Faculty Learning Community Grant. \$5,250

August, 2016 – August, 2017. (co-PI, 33%). Developing Novel Non-volatile, Reusable, Biodegradable Solvents from Biodiesel-Waste Glycerol. Environmental Protection Agency, 13th Annual P3 Awards: A National Student Design Competition for Sustainability Focusing on People, Prosperity and the Planet. \$15,000 (Complete)

May, 2016 – August, 2016. (PI, 100%). “The Implicit Cost of Home Protection in the Wildland Urban Interface” California State University Agricultural Research Institute Seed Grant. \$5,000 (Complete)

May, 2008 – May 2009. (PI, 100%). “Health Implications of Ethanol and Gasoline Blends” University of Idaho Student Grant Program. \$2,975 (Complete)

PRESENTATIONS AND POSTERS

“Observing the Unobservable: Connecting persistent emotional state to behavior in risky contexts” Health Services Research Seminar, Colorado School of Public Health 2025

“Are mobility data a substitute for travel cost surveys?” Mobility data for nonmarket valuation (online workshop) 2025; Okinawa Institute of Science and Technology 2025; Tohoku University 2025

“The Promise and Peril of Using Mobile Device Location Data for Recreation Demand” University of Alaska, Anchorage 2024; Nagoya City University, Japan 2024; National Institute for Environmental Studies, Japan 2024; Kobe University, Japan 2025

“Snow, Skiing, and Impacts to the Regional Economy” W5133 New Orleans 2023; University of Idaho. Moscow, ID. 2022; BIOECON. Jackson, WY. 2021

“Planning Before the Fire” International Conference on Forest Fire Research. Coimbra, Portugal. 2022

“Economics and Epidemiology: Beyond Dollars and Cents” University of Tennessee. Knoxville, TN. 2022

“Using cell phone data in discrete choice recreation demand models” W4133. Hood River, OR. 2022

“Potential COVID-19 outbreak in fire camp: modeling scenarios and interventions” American Society of Tropical Hygiene and Medicine Annual Meeting 2020 (virtual)

“A Cell Phone Data Driven Time Use Analysis of the COVID-19 Epidemic” GoSee seminar 2020 (webinar) series (200+ attendees)

“Econ-Epi Considerations for Distancing” COVID-19 Rapid Response Webinar 2020 (400+ attendees).

“The Rising Cost of Wildfire Management” Washington State Academy of Science Symposium: Wildfire in Washington State. Seattle, WA. 2019

“A Real Barn Burner: The Effectiveness of Home Protection during Wildfire” W4133 Meetings. Santa Fe, New Mexico. 2019; Agricultural and Applied Economics Association Annual Meeting. Washington DC. 2018; Western Agricultural Economics Association

- Annual Meeting. Anchorage, AK. 2018; Wildfire Continuum Conference. Missoula, MT. 2018.
- “Resource Allocation Under Fire” Australasian Agricultural & Resource Economics Society Annual Meeting. Melbourne, Australia. Febraury, 2019 ; Agricultural and Resource Economics, University of Western Australia February, 2019; Pacific Northwest Regional Economics Conference, Bend, OR May, 2017; Economics Department Seminar, University of Nevada, Reno, March, 2017; The Politics and Economics of Wildfire Policy Conference at Bren School, UC Santa Barbara, October 26-28, 2014; AAEA & WAEA Meetings, San Francisco, CA July, 2015, BestNET Workshop, April 26, 2013 at Princeton University.
- “The Effect of Pollution on Crime: Evidence from Wildfires” Front Range Energy Camp. University of Colorado. 2018
- “Measured Voluntary Avoidance Behaviour during the 2009 A/H1N1 Epidemic” CSU, Chico November 2015.
- “Estimating State Transitions: Application to Wildfire Suppression” Heartland Environmental and Resource Economics Workshop at Illinois Urbana-Champaign, October 31 - November 2, 2014; Occasional Workshop in Environmental and Resource Economics at UC Santa Barbara, 2015.
- “Wildfire Hazards: The Cost of Protecting Homes in the Wildland Urban Interface” invited seminar at University of Wyoming, April 2, 2014.
- “Damned If You Do, Damned If You Don’t: The Impact of Self-Sequester on the Transmission of Infectious Disease ” presented at MASpread workshop, March 31, 2014 at Princeton University.
- “Aggregation and Estimation Bias in Heterogeneous Mixing Epidemiological Models” presented at Environmental Economics Seminar, February 20, 2014 at Arizona State University, and March 30 at Princeton University.
- “International Competition, Entry Subsidies, and Market Structure” presented at the Western Economic Association International annual meeting, June 28 to July 2, 2013 in Seattle, WA.
- “Wildfire Hazards” presented at Environmental Economics Seminar, Yale University, Fall 2013; the Agricultural and Applied Economics Association annual meeting, August 12 to 14, 2012 in Seattle, WA (Poster); Western Economic Association International annual meeting, June 29 to July 3, 2012 in San Francisco, CA; Canadian Agricultural Economics Society & Western Agricultural Economics Association joint annual meetings, June 29 to July 1, 2011 in Banff, Alberta Canada; and Western Forest Economists annual meetings. May 10 to 12, 2011 in Welches, OR.
- “U.S. Agricultural Supports and the Biofuel Industry” presented at 100th annual Agricultural and Applied Economics Association, Canadian Agricultural Economics Society, & Western Agricultural Economics Association Joint Meetings. July 25 to 27, 2010. Denver, CO (Poster).

HONORS

2022. Colorado State University Interdisciplinary Scholarship (IDSA) Individual Award. (\$10,000)

- 2021. University of Colorado Outstanding Research Collaboration - COVID-19 Resilience Award for Colorado COVID-19 Modeling Group.
- 2020. Best Environmental Epidemiology Paper (BEEP) Award. International Society for Environmental Epidemiology.
- 2018. Heading South Award. Agricultural and Applied Economics Association & Australasian Agricultural and Resource Economics Society.
- 2014. Outstanding Doctoral Dissertation (Honorable Mention). “[Characterizing Incentives: An Investigation of Wildfire Response and Environmental Entry Policy.](#)” Agricultural and Applied Economics Association.
- 2014. Selected to attend Short Course on Sustainability Science, Harvard Kennedy School of Government and Venice International University, May 17-23, 2014 in Venice, Italy.
- 2013. Outstanding Doctoral Dissertation. “Characterizing Incentives: An Investigation of Wildfire Response and Environmental Entry Policy.” School of Economic Sciences. Washington State University.
- 2011. Jeff Krautkraemer “Pay it Forward” Scholarship. (\$1,000)
- 2010. Outstanding Masters Thesis Award (Honorable Mention). “A General Equilibrium Analysis of Biofuel Market Policies.” Agricultural and Applied Economics Association.
- 2010. Outstanding Masters Thesis Award (Honorable Mention). “A General Equilibrium Analysis of Biofuel Market Policies.” Western Agricultural Economics Association.
- 2010. Outstanding Graduate Student Award. Gamma Sigma Delta.
- 2010. Outstanding Masters Research and Creative Activity Award. University of Idaho.
- 2009. Outstanding Master’s Thesis. “A General Equilibrium Analysis of Biofuel Market Policies.” Department of Agricultural Economics, University of Idaho.
- 2008. Iddings Research Fellowship. University of Idaho. (\$5,000)

COURSES TAUGHT

- Data Driven Decision Making in Agricultural and Resource Economics (AREC 330), Colorado State University. Spring 2023-2024
- Economic Research Methodology (AREC 570), Colorado State University. Fall 2017-2023.
- Economics of Outdoor Recreation (AREC 346), Colorado State University. Fall 2018-2023.
- Introduction to Agricultural Business and Economics (ABUS 101), California State University, Chico. Spring 2017.
- Agricultural Policy (ABUS 451), California State University, Chico. Spring 2016, Fall 2016.
- Agricultural Production Economics and Quantitative Analysis (ABUS 301). California State University, Chico. Fall 2015, Spring 2016, Fall 2016, Spring 2017.
- Computer Applications in Agriculture (ABUS 231). California State University, Chico. Fall 2015, Spring 2016, Spring 2017.
- Fundamentals of Microeconomics, Washington State University. Summer 2012.
- Fundamentals of Microeconomics (TA), Washington State University. Fall 2012.
(Instructor: Alan Love)
- Master’s Microeconomic Analysis (TA), Washington State University. Fall 2009, Fall 2010.
(Instructor: Jonathan Yoder)
- Managerial Economics (TA), University of Idaho. Fall 2007.
(Instructor: Christopher McIntosh)

SERVICE

2023-2024. Advisory Board Member Colorado National Wastewater Surveillance System Center of Excellence. <https://www.du.edu/nwsscoe>

2023. Updated Wildfire Social Vulnerability Index used to determine reduced match requirement for the Colorado State Forest Service Forest Restoration and Wildfire Risk Mitigation Grant Program.

2023. Topic Leader for Environmental and Resource Economics, Western Agricultural Economics Association Annual Meetings.

Colorado COVID-19 Modeling Team. 2020-2022. Maintained mathematical model of the epidemic and conducted analyses to inform policy and response in Colorado.

Colorado State Modeling and Analytics Team (2020-2021). Developed and maintained a mathematical model of the epidemic at CSU and conducted analyses of CSU data.

2020. Developed Wildfire Social Vulnerability Index used to determine reduced match requirement for the Colorado State Forest Service Forest Restoration and Wildfire Risk Mitigation Grant Program.

2018 -2020. Topic Leader for Natural Resource Economics, Agricultural and Applied Economics Association Annual Meetings

2019. Abstract Reviewer, Western Agricultural Economics Association Annual Meetings.

2018. Topic Leader for Environmental and Resource Economics, Western Agricultural Economics Association Annual Meetings.

May, 2017. Organized Session on Forestry and Wildfire at the Pacific Northwest Regional Economic Conference. Bend, OR.

January, 2017. Organized Session on Agriculture and Water for 17th Annual Economic Forecast Conference, Center for Economic Development. Chico, CA
